Year 6

Year 6 enjoyed a (very wet) trip to the park as a reward for finishing their SATs. We may have been soaked but we still had a great time!

Football Tournament

Last week our year 4 & 5 football team did a fantastic job in representing the school at the Castle View Enterprise Academy Summer Football Tournament. There were 7 schools competing in the tournament and all the matches were close from the first whistle to the last. Our team battled in every game and finished 3rd in the league table, meaning they qualified for the semi-final, against Dame Dorothy. Our team were fantastic defensively with all pupils sticking to their role and working hard for the team, the match finished 0-0 and went straight to penalties. Both teams missed one penalty each meaning it was sudden death penalties and unfortunately, we missed our last penalty. However, the team bounced straight back in the 3rd/4th Final with an emphatic 3-0 win over Northern Saints, who won the league stage, and finished in 3rd place. Well done to the team!

- Castletown 1-0 L
- Dame Dorothy 2-0 L
- Town End 2-0 W (Grayson, Kaelum)
- Northern Saints 1-0 W (Grayson)
- Bexhill 2-1 W (Harrison, Grayson)
- Grange Park 0-0 D
- Dame Dorothy 0-0 (3-2 penalties) L
- Northern Saints 3-0 W (Jenson x2, Harrison)

Rainbow Room

The children enjoyed going on a mini beast hunt outside in the sunshine. They worked in pairs showing great team work as they looked in tyres, under logs and on plants. The children used good looking and listening skills and were excited to tick of what they had found.

Year 2 & Year 4

Year 2 and year 4 had a fantastic visit from Crazy Creatures this week, giving the children a hands-on opportunity to meet and learn about a variety of amazing animals. The children were excited to hold and touch creatures including a Burmese python, corn snakes, tarantulas, dormice, skinny pigs, tortoises, rabbits and bearded dragons. The visit was both educational and memorable, helping the children build confidence while learning interesting facts about each animal and their habitats.
