Year 6 Fundraiser – Friday 12th June

We have organised our annual Year 6 fundraiser to raise money for our leaver's celebrations at the end of the year. There will be lots of different stalls including a cake stall and juice stall, glitter tattoos, guess the sweets in the jar, lucky dip and much, much more!

We are hoping that you will all support us by letting your child bring some money in to spend on the day (change would be fantastic). We would also really appreciate any donations of cakes and biscuits to sell on our stalls. Any donations can be handed to a member of Year 6 for safe keeping until the day.

Thanks Everyone!
From Year 6

Heroes of the Week

Well done to the children who won this week:

OPAL Update

We are desperately in need of some new dinosaurs for our small-world area on the playground. If anyone has any dinosaur toys they would be happy to donate, we would be incredibly grateful! The OPAL team met this week and came up with some exciting new ideas to further develop our OPAL play provision. We look forward to sharing these with you and seeing them come to life over the coming weeks.

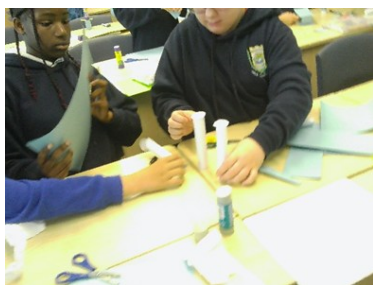

Thank you for your continued support. 😊

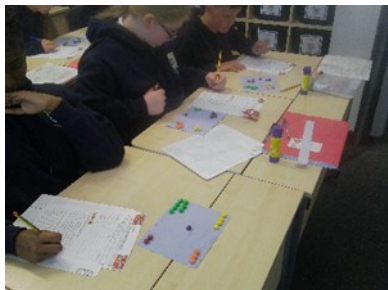

Year 6

Year 6 were challenged to make a freestanding bridge structure as part of our project in design technology. We had to think carefully about the materials we chose and how we constructed our bridges. Everyone's bridges lasted the full 3 minutes!
Well done!

Year 6

Year 6 enjoyed using skittles to explore the concept of ratio and proportion in maths this week.

Nursery

This week the nursery children had a visitor in telling them a story about bees. It was called 'Uncle Beard's Garden'. The children loved following and joining in with the engaging workshop while following the story of Delia the Bee finding a new home for her family in Uncle Beard's Garden. A great start to our new mini beast topic.
