To Year 6,

The time for you to shine is finally here. It is your chance to show everyone how amazing you are. You've worked so hard and are absolutely ready to smash this! I'm so proud of you all and I feel very lucky to be able to share this special year with you. Believe in yourself the way I believe in each and everyone of you. All you need to do is your best because your best is truly incredible!

Love Miss Abernethy x

Is your child a superstar?

In our celebration assemblies we love hearing about your children's hobbies and interests, and sharing their successes when they move up a stage, earn a certificate, medal or trophy, or achieve other personal goals. We'd like to create a display in school of this to have a constant reminder of their achievements and also to inspire others, so we need your help!

If your child attends a club outside of school, please email a photo of your child in action with a short description of what it is they do. We will share a photo in the newsletter of our display once it's finished

Inclusion Ambassadors

Last week, the year 5 and 6 Inclusion Ambassadors attended a presentation at City Hall where they were given their special badges to be worn in school (and some goodie bags too 😊).

They worked with pupils from schools across Sunderland thinking about ways that we already make our schools inclusive and how we can develop this even further.

Happy Birthday to the children who have Birthdays:

- Ivy Potts
- Riley Copeland
- Mollie Tasker

Year 1

Year 1 have made an amazing start to their swimming sessions this half term and are showing how determined they are every time they get into the pool. We are so proud of them and how hard they work. Well done, year 1!

Nursery

Over the spring term, the nursery children have been practising their balancing and steering skills on the balance bikes. It has been lovely to see them grow in confidence. This week, they took part in a sponsored obstacle course and all of the children successfully completed it, going around the course twice!

This fun activity supported the children's physical development, coordination, and confidence as they learned to control their movements and persevere with a challenge. Well done to all of our nursery children for their fantastic effort.
