Community Gardens

We have been busy planting the first crops in the raised beds; we have broad beans, peas, potatoes, beetroot, onions. More crops will be planted over the next few weeks. Thank you to Miss Knowles for your help and guidance. We really appreciate it.

If anyone is interested in renting a raised bed for themselves, please contact Mrs Holland on 0191 562 3299.

Donations of children's wellington boots

As part of our development of our woodland and garden areas, the Early Years children are going to grow plants in old wellington boots.

If you have any old wellies that are no longer used – children's will be best please because they will be really colourful – please will you send them in to school? They'll make a fantastic display and make our school even more attractive!

Celebrating Hylton Castle

As some of you are aware, Hylton Castle is going to be open this Saturday 13th May, 10am-3pm, for Local History Month.

People will be able to have a look around before the building work begins in the next few months, see the plans for the new community heritage venue, and there will be performances by Castletown Choir and Inspire Stage School at 11am. We've got some children's activities as well, thanks to Hylton Castle Mission and IAM Sports.
