Y1 topic visit to Hylton Castle'

As part of their topic on Houses and Homes, Year 1 had a great afternoon at Hylton Castle. They learnt about the family who used to live in this grand house and heard about the jobs that different people would have done in the castle. Many of the children wanted to be knights but not many wanted to do the cooking and cleaning jobs!

Staff from the Hylton Castle Project will be coming to spend some time working with the children in class so that we can learn more about life in the castle.

Before they come they have tasked the children to find out what sort of food people who lived in the castle may have eaten.

Y6 Boot Camp

Year 6 had the chance to experience some army training linked to their WW2 topic by taking part in an army boot camp. The children 'enjoyed' lifting exercises, grenade training, leopard crawling and running races in our school woodland. Everyone gave a fantastic effort and didn't give up even when it was tough. By the end, everyone was quite tired and very muddy but they'd all had a great experience.

A quote from James:
"I don't just like this, I love it!"

Only guide dogs allowed on the school yard

I politely remind all parents and carers that no dogs, other than guide dogs, are allowed anywhere in the school grounds. This includes dogs being carried. We insist on this to ensure the well-being of children who are nervous around dogs, and also to ensure our health and safety procedures are effectively followed by all.

Vandalism in our School Grounds

If anyone knows who is responsible for this mindless vandalism – please let us know.

Mr. Bell laid these paving stones to make easier access to our greenhouse and now someone has deliberately smashed them with a brick. Typically, rather than being upset that his work has been destroyed, Mr. Bell is devastated that the money needed to repair these slabs could better have been spent on equipment or trips for our pupils.
