#### Year 1 visit to Beamish

Year 1 had an amazing time at Beamish. We went back in time and were shown how Florence Nightingale trained her nurses to help the wounded soldiers. We baked ginger biscuits, cleaned and were shown how to put bandages on.

We even had time to go into the mining pits and see what it was like to work in the mines!

#### Year 5 Art Work

The year 5 children enjoyed their third session with the artist. The children have created the base of their hedgehog sculpture using tyres, rocks and soil. They even mixed their own cement and moulded faces for the mother and baby hedgehog. We can't wait to complete the finishing touches!

#### Hay Fever

We request that children who suffer from hay fever are given medication before they come to school. We have had to phone for medication to be brought to school on several occasions recently; in almost all instances children have told us they haven't been given allergy relief / protection first thing in the morning - this means that they are suffering more than any of us would like them to.

#### Behaviour Awards

**Congratulations to the following children who achieved the BRONZE award this week:**

- Freya Nelson
- Faith Owens
- Macie Ramshaw
