### Happy Birthday for the coming week to :

Charlie Milligan  
Grace Kelly  
Freya Nelson  
Macie Ramshaw  
Sareena Martin

### Our school –

#### being used as an example of good practice by the Local Authority

As a result of the work we are doing to encourage children to love the outdoors, and also to make learning more lively and fun, we are beginning to become well known in Sunderland for what we're trying to achieve. Quite a few schools have already hired our woods for outdoor activities and The Key Stage 2 Behaviour Team are soon using the woods for training purposes. In addition, the Maths and Literacy

Here you can see Y6 engaged on an outdoor maths lesson on ordering numbers.

Advisors for the Local Authority are so impressed with our vision for 'bringing the curriculum to life,' that Ms. Abernethy is working with the maths advisor to bring other schools together to share our good practice and to develop this vision further – across many schools in Sunderland.

I am so proud of how our teachers are always looking for different ways to help children love learning and for all the hard work they put into doing their best for your children.

### Hit the Surf

Year 6 visited Seaburn beach last week to take part in Hit the Surf. It was a little bit windy which meant we had some fantastic waves to try out surfing. All of the children had an amazing time and we were very proud of their behaviour and attitude.

### Storm Damage

Here you can see the damage caused by last week's storm.

Tree blown over in the woods by the high wind & the Hedgehog house blown away

### More added to the Woodland

Here you can see a food preparation table and resting chair around the fire pit. Thank-you, Mr. Bell for magically making these additions appear!

### Attendance Awards

Congratulations to the following classes for winning the attendance awards for week ending 21st September

KS1:Y1	100.00%
KS2:Y5	100.00%
