### Christmas Card Competition

Congratulations to Grace Bowman from Year 6, on being the overall winner of the MPs Christmas card competition. Her fantastic prizes were, a family trip to London on the train to visit the Houses of Parliament, bowling passes, cinema tickets and a box of Lego. Her winning design will be made up into Christmas cards that our local MP Sharon Hodgson, sends out to her constituents.

Well done to Lexi and Lena for getting shortlisted in the Christmas card competition too.

All of the designs will be on display at The Washington Arts Centre until after the New Year.

### Toilet in the Woods

We now have a waterless toilet in our woods.

Ever since we took the decision to develop the woodland area we have squirreled money away to spend on continuously improving this brilliant facility.

With the fund boosted by contributions from fund raisers, lotto bonus ball, staff tuck shop and harvest festival we now have enough funds to purchase and install a waterless toilet.

This means that staff, pupils and visitors no longer need to return to the main building for a comfort break.

This toilet can also accommodate wheelchair users and has an internal solar powered light. Antibacterial foam dispensers make sure that all hygiene requirements are met.

Although this is a waterless toilet it is used in the same way as all toilets, it's just the plumbing that's different.

If you need any more information look online for "ecoloos".

### Hedgehog Visitor

Mr Bell spotted a visitor wanting to go & play in the MUGA the other day while doing his checks of the school. He took him back to the woods.

Squirrels have also been spotted, so keep an eye out for them too!

### Behaviour Awards

**Congratulations to the following children who achieved the BRONZE award this week:**
