### Mobile Phones

This is to remind all parents that mobile phones should only be brought to school by children if there are **particular circumstances where important contact may need to be made** between family members between the time the child sets off for / leaves school and meets up with a parent, carer or staff member.

Please be aware that the latest children can collect the phone is 4pm Monday to Thursday and 3.30pm each Friday. No member of staff has access to locked-away mobile phones after these times.

If you anticipate that your children may be late back to school as a result of a football match, theatre trip or similar activity, then please make alternative arrangements. **To have your child dropped off / collected by an adult will take out the need for your child to have his / her mobile phone in school at all.**

If you have a query about or concern about this information please don't hesitate to contact me.

### Anti-Bullying News!

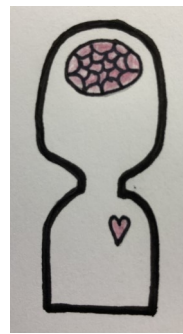

Thank you so much for all of the fantastic home-work projects you sent in during Anti-Bullying Week. The Anti-Bullying Team has chosen the winner and have decided to adopt this as our school's anti-bullying logo. Mrs Wood is busy organising Lola's (from Reception) prize. Watch out for our new Anti-Bullying Newsletter coming soon!

### Mental Health Charter Mark

We are very proud of the amazing work that goes on in school which focuses on the wellbeing of our pupils and staff. We have recently been awarded the new Sunderland Mental Health Charter Mark. All schools who have achieved this award were invited to design a logo for it. Elisha Marsh, Year 6 designed the winning entry.

Well done, Elisha!

### After-school clubs

If your child is unable to attend an after-school club, please ensure you inform a member of staff. To ensure your children's safety, we cannot accept a verbal message from the child.

### Changes to collection after school

To avoid disruptions to children's learning, please ensure that any messages regarding who is collecting your child are passed to the member of staff on the door each morning. We are receiving several phone calls, daily, with last-minute messages; passing these on interrupts lessons. We realise there will be genuine emergencies where a last minute message may need to come via the school office, and appreciate your cooperation.
