Free Breakfast for Y6 pupils during SATs Week

Y6 children are cordially invited to attend Breakfast Club, free of charge, during SATs week (w/b 13th May 2019). They will receive a cooked breakfast (if desired) and they will get chance to relax and prepare with their friends for the tests that day.

This has always proved very successful in the past, with 100% Y6 pupils attending.

Visit from the Dentist

Year 6 & Year 2 had a visit from Southwick Green dental nurses, who explained all about good oral hygiene. The children got to use some disclosing tablets and were shown how to brush their teeth correctly.

Did you know there are 12 teaspoons of sugar in a bag of Haribos?

Year 6 Trip

Year 6 enjoyed a visit to Sunderland Museum this week as part of the British Science Festival. They were able to explore Leonardo Da Vinci's flying machine drawings then explored the ideas behind flight. As part of this, they were able to dissect chicken wings to identify the muscles, tendons and bones which helped them understand how it helps a bird to fly.

Year 2 trip

Year Two had a fabulous time visiting The Winter Gardens. They took part in an artist workshop, working together to create a piece of art work. We also had the opportunity to look at Leonardo Da Vinci's drawings. We then took part in 'The Inventions Trail' finding out about lots of different inventions. Mrs Masters and Mrs Niel were very proud of the children's behaviour; we even received a compliment from a member of the public saying 'What beautifully behaved children you are'.

Doctor School

Children in nursery have attended 'Doctors' School' this week as part of their 'People Who Help Us' topic. We have learnt how to dial 999 in an Emergency and how to put a bandage on. We looked at the recovery position & drew what a doctor needs. We all graduated as a kind, caring, helpful doctor.
