Year 1

Year 1 enjoyed another cold visit to Broom House Farm. We learnt all about the changes that happen during Spring. We looked at all of the plants and

trees that grow on a farm, collected some eggs for the farm shop.

We were even lucky enough to see a lamb being born!

Is your child ready for Nursery?

If your child is ready to start Nursery and you haven't already put his / her name down, please could you do so as soon as possible.

Year 6

Year 6 made cheese scones and stew this week. They had researched recipes from WW2 and recreated them. The children loved the cheese scones but were not that keen on the stew because it had lots of vegetables in it.

Behaviour Awards

Congratulations to the following children who achieved the BRONZE award this week:

- Francesca Young
- Heidi Lane
- Callum Conlin
- Tamer Letchford

SILVER award this week

- Aimee Taylor
- Joshua Gibson

Year 3

Year 3 went on an amazing trip to Murton Park. The children became a Roman soldier for the whole day and learnt what it was like to be a part of the Roman Empire.

They practised writing in Latin, making oil lamps and preparing for battle. They even won a battle against a Celt!

The children thoroughly enjoyed the whole day and learnt a lot. The trip was a very rewarding experience and a one I'm sure the children will never forget.

Community Chest Funding

For many years we've been successful in securing funding from the City Council's Community Chest Fund to help with costs of projects such as new playground equipment and the sculpture work we carried out last year. In these photographs Mrs. Armstrong is celebrating all of the funding we have received, also the funding for our latest project – swings and a slide for the playground.

The celebration acknowledged Strategic Initiative Budget (SIB) and Community Chest funding made by North Area Committee to local voluntary and community sector organisations since the Area Committee in November 2018.
