Changes to the time parents must inform us if a child is not able to come into school

This is to give you notice that **from Monday, 20th May 2019, parents will be required to inform us by 9a.m. if children are not able to come into school.** This is to ensure that we do absolutely everything possible to make sure your children are safe on schooldays.

Community Chest Funding

We were successful again in applying to Sunderland City Council for funding to support outdoor play equipment for children. The swings and slide we were able to purchase have been really well-received by children who tell us that playtimes have lots of activities that keep them fit and help them have fun. A slide and swings have been on children's 'wish list' for a long time so we're delighted that we've been able to secure this Community Chest funding. This play equipment is also used during the school day to support children who benefit from 'big moves' and sensory breaks.

Nursery News

This week Nursery children made egg and cress sandwiches with cress they grew themselves. They were delicious.

In the woods we collected petals to make our own perfume.

We had great fun mixing the natural resources to make beautiful smelling perfumes.

Well done to Year 6 pupils
