Football News

On Tuesday our football team had a 9 a-side fixture against Benedict Biscop CE Academy, losing 3-2. As the score line suggests it was a tight game with both teams showing confidence in playing out from the back and not turning possession over to the other team. After Benedict Biscop took an early lead, Bailey tried a long range effort which went in top corner to level the score. Benedict Biscop took the lead going in to the second half but Bailey, again, was able to score with an unstoppable effort from long range, leaving the goalkeeper no chance. Hylton Castle fell behind after the ball dropped in the box and a Benedict Biscop player was able to fire the ball in to the goal. Unfortunately our team didn't find another goal to come back but played fantastic football and should be very proud of their performance.

Well done

The whole of key stage 2 entered a competition run by Sun FM, testing their knowledge on First Aid. Lacey Mae Tucker was lucky enough to be picked from 1800 entries. She won A £50 High street shopping voucher. I'm sure she will have fun

spending that in the holidays. Well done Lacey !! She is pictured with breakfast show presenter Louise McLeish.

Summer Term Breakdown for Attendance

Attendance Awards

Congratulations to the following classes for winning the attendance awards for week ending 17th May:

KS1:Y1	99.33%
KS2:Y6	99.29%

We still have nursery places available for this September for children who are 3 before 1st September 2019. Call to the school office to collect a form to register your child.

Reminder

Could we respectfully remind parents/carers/visitors to our school that we are a smoke free school in all areas; this includes vaping.

We have found a number of cigarette butts on the premises.

Drainpipes

We are looking for donations of guttering & clips, downpipes, drainpipes and funnels etc to build a water play feature on the Nursery/Reception playground.

National Primary Engineer Award

Last term, our Year Five class took part in a National Primary Engineer Award. They had to design a new invention that would improve people's lives. I am thrilled to announce that five of our children were shortlisted in the North East area. They are; Daniel Duggan, Tyler Malcolm, Summer Morgan, Ella Waldron and Olivia Askew. Their work will be displayed for the public on Saturday 8th June. We will be sending home details about how to attend the exhibition. All of the children worked incredibly hard on this project and we are very proud of them.
