### Sports Day

Reception had a great time at their sports day. A big thank you to all parents and family members who cheered us on.

A huge thank you to Mr Wilcox for organising everything.

### Year 2 Trip

On Wednesday Year Two visited Inspired Chocolate, a real chocolate factory, near Leyburn. They learnt all about making chocolate and saw the workers making the delicious chocolate to sell in their factory shop. The children got to make their own chocolate pizza to bring home. After this they took part in 'The History of Chocolate' quiz. All the children had a fabulous time and so did the staff.

### Year 3 & 5 Trip

This week, year 3 and 5 went on an exciting sculpture trail along St Peter's Way. They finished their day on Roker beach with ice creams and a lot of fun. We would also like to say a big thank-you to BGL for the eight volunteers who accompanied us.

### Year 6 - University Trip

Year 6 enjoyed a trip to the School of Computing at Newcastle University to complete a programming workshop. Everyone enjoyed trying to programme their robots to move in certain ways and to make the lights change. We were very impressed by how all of the children showed resilience and problem solving skills when the coding didn't quite go to plan! Well done, everyone!
