KS2:Y4	97.33%

Year 5

In our Science lesson, Year 5 have been working hard making graphs from data. We love making learning fun for our children and they seemed to enjoy it too!

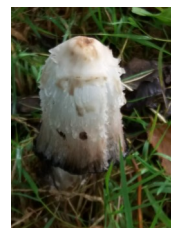

Year 3 visit the Castle

As part of our History topic this term, Year 3 are learning about their local area. The children walked up to Hylton Castle where they began their enquiry. We were met by Lord Hylton himself and a knight who told us when the castle was built and what the castle was like when they lived there. The children enjoyed learning a little bit about their local area and can't wait to find out more!

Mushrooms

Mr Bell has spotted some interesting mushrooms growing around the grounds while out cutting the grass. He has had them identified as:

Shaggy ink cap.

Harvest

Thank you to everyone who came to our Harvest Festival last week and to those who kindly donated food. Sunderland Foodbank collected the donations shortly after the assembly and were overwhelmed by your generosity!
