### Nursery Medics

Nursery have been learning about doctors and nurses this week. We have enjoyed dressing up as doctors and nurses and making our friends better using all of the different equipment!

### Magic Breakfast

Great news! We have just found out that funding for the Magic Breakfast programme has been extended until July 2020. This means that we will continue to offer a FREE breakfast club (bagels/cereal) to all children from 8.15am daily.

### Year 5 Workshare

The Year 5 children enjoyed their workshare with parents and grandparents. We thought about different scenarios where people were being bullied and what they could do to make it stop. Thank-you for coming in and celebrating Anti-Bullying Week with us.

### Free Books

Follow the Christmas Adventures of Archie. McDonalds are giving away 500,000 free books for children. You can apply for your child's by visiting the web-site address below & placing your order.

### Nasal Spray Flu Vaccination

Following last week's sickness, some of which were confirmed as 'flu', I have asked Public Health England if this is still necessary. Their answer was 'YES'. Although many children were unwell, we do not know that all had 'the flu'. Additionally, the vaccination protects against many different strains of flu and so could prevent your child from catching another variation of the virus.

### Should my child have it if they still have a cough/runny nose etc?

As always, the nurses will assess each child as they present on the day before administering the nasal spray. If they have any queries, they will contact parents/carers.

### Groundworks

The Groundwork taster session went ahead on Wednesday 20<sup>th</sup> November. The parents and children enjoyed making Christmas crafts and are looking forward to the rest of the sessions. Rebecca Wilson, who takes the sessions said, "The session was brilliant! 7 parents all really enthusiastic about coming back! " Hurray!
