- Friday 3rd April 2020**  
Break up - Easter
- Monday 20th April 2020**  
Children return to school
- W/B 11th May 2020**
  - KS2 SATs

### World Book Day

We had a fantastic time celebrating World Book Day in school on Thursday and loved seeing all of the amazing costumes. This year's theme was 'Share a Million Stories,' and as part of this, we hope you enjoy sharing the World Book Day book that your child has brought home.

### Emotional Wellbeing

Children in Years 1,2,3 and 4 took part in a workshop run by the school nurses about emotional health and wellbeing. They talked about feelings and worries and what they can do to help.

### Behaviour Awards

**Congratulations to the following children who achieved the SILVER award this week**

- Jasmeen Dhillion
- Amari Butler
- Max Mason

### Change for Life

This week the children in KS2 have all taken part in a 'Change for Life' workshop. They all enjoyed learning all about how to stay healthy. They spoke about the importance of getting plenty of exercise and also about eating a healthy balanced diet.

### Coronavirus

We are following government guidance to help prevent the spread of Covid-19 and have attached a poster on the back of this newsletter. In assembly this morning, children were reminded about how to wash their hands properly and we had fun practising alternative ways to greet people rather than shaking hands.

### World at Work

As part of our World of Work assemblies, Jo Avery, Community Partnerships Coordinator from Gentoo, came in to talk to the children about her exciting job. She explained what her role involves. The children were fascinated and asked many questions.

### Spring Term Breakdown for Attendance

- 0 days missed = 100%
  - 1 day missed = 98.30%
  - 2 days missed = 96.61%
  - 3 days missed = 94.91% WILL NOT RECEIVE THE TREAT**
- Please note that a penalty notice may be issued if a leave of absence is taken without permission.

### Attendance Awards

Congratulations to the following classes for winning the attendance awards for week ending 28th February:

KS1:Rec	100.00%
KS2:Y4	98.00%

# Advice on the coronavirus for places of education

## How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

## How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

## How can you stop coronaviruses spreading?

### If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

### You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: [campaignresources.phe.gov.uk/schools](https://campaignresources.phe.gov.uk/schools)

## What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately
