Thank you

I would like to thank you for your support over the past few weeks. The systems we have in place in school are working well and although we have had confirmed cases of COVID19 within our school this week, our bubble system has made it easy to identify close contacts and contain the virus. If your child is required to isolate, you will receive work via email. It is extremely important that you expect your child to complete this work to the best of their ability as this way of working could continue for some time.

Harvesting

Reception children have been harvesting apples from our very own apple tree. We sorted our apples and put any rotten apples in the bug hotel. The children washed and ate the rest.

Happy Birthday to all of our children who have had birthdays in September:

Attendance Awards

Congratulations to the following classes for the best attendance for week ending 25th September:

KS1:Y1	99.67%
KS2:Y5	99.35%

Outdoor Learning

Year five have been taking their learning outdoors this week. We completed some themed rounding activities and also looked for signs of reproduction in plants in our woodland area. The children have settled back into their learning very well and are loving being back together.

From Mr Bell

We are in need of clean unused timber and screws. We have plenty of pallets but are desperate for timber to build resources for the children. Anything left over from fence builds, sheds or DIY would be welcome.

Heroes of the Week

Children are really excited about our new Hylton Heroes House Points system. Every week, a 'Hero of the Week' is chosen from each class and they get to add 10 tokens to their house collection!

Well done to the children who have won this over the last couple of weeks.
