Tuesday 7th Sept 2021

CHILDREN RETURN TO SCHOOL

Friday 1st Oct 2021

INSET—NO CHILDREN

Attendance Awards

Congratulations to the following classes for the best attendance for week ending 18th June:

KS1:Y1	97.67%
KS2:Y5	97.37%

Heroes of the Week

Well done to the children who won this the last week:

- Theo Dawes
- Franki Barrs
- Harry Cruddas
- Aaron Muldown
- Amelia Smith
- Katelyn Smith
- Kenneth Hunter
- Theo Davison

Every week, a 'Hero of the Week' is chosen from each class and they get to add 10 tokens to their house collection!

Red and White Day

To celebrate England getting to the next round of the UEFA Euro tournament, on Tuesday 29th June, when they play their next game against Germany, we will show our support by wearing red and white. Please ensure your child's outfit and footwear are suitable for school.

Staffing

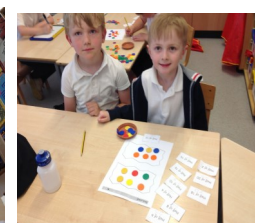

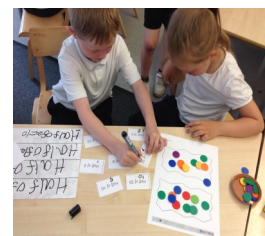

Over the last couple of days governors and our senior leadership team have been busy interviewing for a new class teacher. We are delighted to say that Miss Sheriff will start with us in September. She really stood out from a large field of applicants and know she will do her very best for our children.

Next Year's Staffing

Nursery	Miss Calvert and Mrs Young
Reception	Mrs Robertson and Miss Burlison
Year 1	Mrs Hunter/ Mrs Meldrum and Miss Barker
Year 2	Miss Raisbeck and Miss Hill
Year 3	Mrs Masters, Miss Kean and Miss Lindsay
Year 4	Miss Sheriff and Mrs Potter
Year 5	Miss Horn (when she returns from maternity leave) and Mrs Collins
Year 6	Miss Abernethy and Mrs Atkinson

Year 1

In year 1 this week we have been looking at fractions. First we looked at halving a shape and then we looked at halving a quantity. The children chose a question card and counted out the number of counters that they needed. They then found half of that given quantity. They all worked very hard!

Happy Birthday to the children who have had birthdays this week :

Conner	Raine
Jensen	Walt
Max	Mason
Melek	Thatcher

PE T-shirts

PE t-shirts are available to buy from the school office at £2 each. Your child needs a t-shirt the same colour as the Hero House they are in. To minimise the number of people at the school office, we would prefer you to pay online and we will send the correct colour t-shirt home with your child. Please put your child's name and preferred size in the comments box when paying.

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

Year 5

Year 5 have been learning about materials this term in Science. This week we learned that changes which produce a new material are usually irreversible and the original materials can not be returned. We mixed warm milk and vinegar to make casein plastic and then bicarbonate of soda and vinegar where carbon dioxide was produced to inflate a balloon.

Year 6

Year 6 enjoyed a fantastic visit from Karen Alexander who works for Farrans Construction as a community business partner. She told the children all about different bridges then focused on the Northern Spire (which Farrans Construction built). The children learned all about how it was built and who was involved including the different job roles. They then had a chance to take on one of these roles in their group to try to make a Da Vinci bridge. It was definitely a challenge but the children showed excellent resilience and problem solving skills to just keep going.

Year 4

This half term Year 4 are learning all about the 'Vicious Vikings'. They investigated why the Vikings invaded Great Britain. They also looked at the important events during the time period.
