Message from Mrs Wood

Thank you so much to each and every one of you for your ongoing support this year. It has been a year of challenges that we never believed were imaginable but we did it. Your children are so amazing, as are our staff and this year parents, you too have become honorary staff with all of the lockdown learning. I'd also like to thank governors for their time this year. Sometimes, their work goes unseen, but it is certainly not unnoticed and is very much valued. Hopefully, September will look a lot more normal – fingers crossed anyway.

I'd also like to take this opportunity to say a few goodbyes. First of all, to our Year 6 children. I am so sorry that you did not get to spend your final day with us, but we do have the fantastic memories from the past 7 years and hope you will keep yours and talk about them positively for years to come. You are as brilliant bunch of children with bright futures ahead. Always remember to Dream, Believe, Achieve!

Goodbye to Mrs Niel who has worked at Hylton Castle Primary School for over 15 years. We wish you well as you move into your full-time post in your new post. Good luck also to Miss Lindsay, Mrs Noy, Miss Spencer and Mrs Kelly as they all move on to their new chapters too. Thank you all for your contributions throughout your time with us.

I wish you all a peaceful, relaxing summer filled with lots of sunshine, fun and memory making. I look forward to seeing you all again in September.

Mrs Wood

Attendance Winner

Everyday, children who arrive at school, on time, receive a raffle ticket with their name on. This raffle is drawn at the end of the half term and our this half terms winner is:

- Aaron Miller

Well done, we hope you enjoy spending your £5 Amazon voucher.

House Team Winner

Children have really enjoyed earning house tokens again this term. Because it is the end of the half term, we have counted the tokens and the winning house is:

- Creative Ranger (purple)

Well done to everyone in that team; we hope you enjoy your special treat bag.

Happy Birthday to the children who have birthdays in the coming weeks :

Safe to Play campaign - Say Something if you See Something

We have been asked by Northumbria Police to share this notice with you:

As the summer holiday approaches, we would like to ask you to consider highlighting a very important safeguarding issue to your school community.

Many parents and carers will be enrolling their children with providers of extra-curricular activities, e.g. sport, drama and dance clubs. Some parents and carers may not have the confidence or knowledge to be able to ask questions about the existence of safeguarding measures and policies, or they may simply assume that they are in place already. Those whose children already attend such clubs may be prompted to make checks, too.

Please encourage them to ask these important questions when they are considering leaving their children in the care of these providers.

To help get the message across, you may find it helpful to share the following link: <https://stop-cse.org/tackling-cse-in-sports/>. This webpage contains advice to parents/carers about what to look out for when signing up for sports activities for their children, but this could apply to any extra-curricular club.

Thank you!

Year 6

Year 6 enjoyed DT day this week to design and make their bridges.
I think you'll agree that they did a fantastic job!

HCPS Crazy Golf Course

Something different! We built a crazy golf course for the school which was used at our Year 6 leavers celebration afternoon, hopefully it will be popular and all year groups will have a go and maybe the teachers. We would like to thank Galliford Try for their contributions of carpet tiles and golf clubs and golf balls. Thank you to Mr Bell and Mrs Holland for all their hard work putting it together and doing such a great job as you can see from the photos.

Year 5

In Geography Year 5 have been learning about coastal areas as well as practicing their mapping skills. This week we visited both Seaburn and Seaham beaches to compare and contrast the areas. We studied maps, looked for human and physical features, built rock towers and even had time for a quick plodge!

Year 3

As part of our geography we had made globes to learn about the 7 continents and 5 oceans. Year 3 had done an amazing job and have really enjoyed learning songs to help us with our learning.

Year 6 Leavers

Year 6 had a fantastic day of leaver's celebrations. We enjoyed inflatables on the field, an ice cream van and lots of lovely treats throughout the day. Our Year 6s have been absolutely amazing this year especially in the face of so many challenges. They have taken it all in their stride and been an absolute joy to teach. We will miss them all very much and wish them every success in the future because they deserve it. Love Miss Abernethy and Mrs Atkinson x
