New Year

I would like to take the opportunity to welcome you all back. School life has finally regained some normality and what an amazing first week back it has been! It has been lovely to see the children mixing again at play times and lunchtime, which is something I am sure we have all missed. The children's attitude to their learning has been very impressive and they have been calm and settled. I have been greeted by lots of smiling faces, telling me their names, and saying hello. I have loved getting to know all the children (although I must admit I have not mastered all the names yet.) I feel so lucky to have joined such an amazing school and I am very excited to get to know you all a little better.

Well done to everyone, you should be so proud and here's to a fantastic second week!
Mrs Hunter.

Tuck Shop

Year 6 children are happy to be able to start running the healthy tuck shop again for Y1—Y6 children from Monday 13th September at morning playtimes.

Items on sales are

- Cartons of Milk 30p
- Various fruits 20p - 30p
- Cheese 15p
- Rice cakes 10p

Please don't send your child in with a lot of money as staff CAN'T be responsible for it.

Violins

There are some places for violin tuition for children in Y2 - Y6.

It is £2.00 per week, an external tutor comes into school to deliver the lesson & children take home their instrument to practise.

Please contact the school office to put your child's name down for this.

After School Sports Clubs

Emails will be sent to the children who have places in Mr Wilcox sports clubs starting next week. We have had a huge response, which is fantastic, unfortunately some children have been put on the waiting list. They will also receive an email informing them of this.

They must attend every week (unless they are absent from school that day) otherwise their place will be offered to a child who is on the waiting list.

If you DONOT get an email your child hasn't handed in a reply slip.

BEHAVIOUR

The school behaviour 'Traffic Light System' still applies to out of school clubs. If a child goes on to **RED** then they will miss the next week in the first instance. If this happens again then they will be removed from the club and the place offered to another child on the waiting list.

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

Year 2

What a fantastic start to year 2! All the children have come in and settled really well. It's been wonderful to get to know all the children. They have enjoyed exploring around the school and learning new things. This week we made maps showing all the different areas on our school yard. We enjoyed walking around and spotting our favourite places to go. We even found our new Reading Gazebo.

Year 6

Our year 6 butterflies! In year 6, we are in our final stage of transition and getting ready to fly away for our next big adventures. It is a very exciting year.

Year 6 have settled back into school brilliantly! Here they are enjoying a computing lesson using our new tablets.

Year 1

Year 1 have had a great week exploring their new classroom, the playground and the woods! They have enjoyed completing activities linked the five Hylton Heroes to help them learn more about each of the key values. They showed great creativity when creating their own Stick Men in the woods and worked like the purple hero, Captain Creative.
