Parental Appointments – w/c 4th October

Parental appointments will continue to be by telephone this year – feedback from staff and parents said that this was much more efficient and well-attended. You will shortly receive a text and an email inviting you to book an appointment to speak with your child's teacher. These telephone calls will be made from a withheld number, please answer at the time of your appointment.

Please note, if your child is on the SEND register, you will not receive this text and will, instead, be offered a face-to-face appointment in the coming weeks. This is to give you the opportunity to discuss your child's learning plan and contribute to their outcomes. Mrs Meldrum (SENDCo) will send a letter with further information.

Keep Fit Lunch

The annual funding for the Universal Infant Free School Meals (UIFSM) scheme is based on actual school meal uptake on two census days each year, the next of which will be on **Thursday 7th October**. We will be having a special "KEEP FIT" themed meal, which will consist of a choice of:

- *Chicken Dumbbells (oven baked chicken breast goujons)*
- *Runner's wrap (tuna or cheddar cheese wrap)*
- *Medicine meatballs (meatballs in a tomato sauce)*
- *Served with Workout seasoned crispy oven baked diced potatoes or Powerful Pasta*
- *Balance Beam baked beans or Strength & Stamina Sweetcorn*
- *Followed by Fitness Flapjack or Fresh Fruit Salad*

If your child normally brings a packed lunch to school & would like to have a school meal that day, please pay £2.40 online on the council website or at the school office for this **by Monday 4th October**.

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

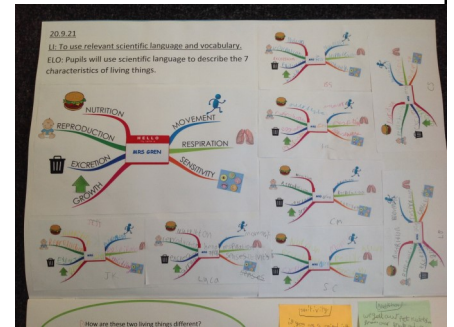

Year 2

This week year 2 have really enjoyed learning about Hylton Castle. To start us off there were hidden facts in our woods. It was great fun finding the facts and reading about Hylton Castle. We learnt that it was used for many different reasons throughout the years and could sequence pictures in order from past to present of the Castle including what it was used for. Year 2 had to help Miss Raisbeck by making a map of the local area and plan a route for our trip to the Castle. The children used compasses to plan the route and I'm glad to say we made it to Hylton Castle! Great work Year 2!!

Year 4

This week Year 4 have been revisiting 'Living Things and their Habitats'. To help remember the 7 life processes of a living thing, we listened to the MRS GREN song! Children were singing along to the music. They also compared the old lady in the music video to 'Gangsta Granny' in our David Walliams class reading book.

Year 6

Year 6 had a fantastic morning at the castle this week. We learned all about how the castle was used during World War 1 and had a chance to write some postcards as soldiers (which we learned was really hard because of the censorship) and we designed posters to encourage people to join the war effort. We even had some time for games like archery and swing ball during our break.

Reception & Year 5

Reception children had a lovely time walking to the castle with their year 5 buddies this week. They explored the grounds and looked inside the old chapel. It was lovely to see how happy both the reception and year 5 children were, and how supportive the older children were whilst talking about the castle. Well done to all the children for a lovely trip out. Now it's time to paint a castle!
