Break up for half term

Monday 6th June 2022  
CHILDREN RETURN TO SCHOOL

Friday 22nd July 2022  
Break up for Summer Holiday

### Attendance Awards

Congratulations to the following  
classes for the best attendance  
for week ending  
1st October :

KS1:Y2	96.25%
KS2:Y3	95.83%

### Year 2

Year 2 had a great time learning about the world. To help us we made our own globes by using oranges.

It was tricky but everyone showed tremendous resilience. Some of the things we learnt were;

- Hollie: There are 7 continents.
- Niall: There is land and sea on Earth.
- Max: The closer you go to the equator the hotter it is.
- Oliver: The Earth is shaped like a sphere
- Bobbi: Aeroplanes travel around the world not in straight lines.

### Heroes of the Week

Well done to the children who won this week & last:

- Anna Robins
- James Cassley
- Kayden Gibson
- Bobby Joe Elsob
- Calvin Cogdon
- Lilia Walt
- Harry Mackay
- Oscar Gordon
- Leon Newton
- Amelia Corner
- Maddison Close
- Riley Keithley

Every week, a 'Hero of the Week' is chosen from each class and they get to add 10 tokens to their house collection!

### Thank you!

Once again, thank you for your cooperation and understanding on Tuesday when we had to close the school due to flooding. Thankfully, the water only entered the building in nursery and our staff were very quick to move things to avoid damage.

Thanks also to Mr Bell and Galliford Try Facilities Management Team for their help in clearing up.

### Cancelled Clubs

There will be **NO** KS2 art club with Miss Barker or Y1 & 2 sports club with Mr Wilcox on **Tuesday 12th October**.

Mr Wilcox will be at Derwent Hill the last week of term, from 18th October. All of his sports clubs are cancelled that week.

They will resume as normal from Monday 1st November

### Happy Birthday to the children who have had birthdays this week :

Bobby Joe	Elstob
Savannah –Jess	Anderson
Evie-Mae	Hopps-Stubbs
Sareena	Martin
Aaliyah	McDermott

Jaxon	Smith
Charlie	Butler
Harry	Lupton
Riley	Keithley
Adeline	Kyei

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

#### Year 4

Last week Year 4 have been classifying animals into different groups. They worked so well in tables during group work and we even managed to put some animals in more than one group and had some great discussions.

#### Year 4

This week, Year 4 had a history visitor in school to talk to them about our new topic – The Anglo-Saxons. They were able to dress up like Anglo-Saxons and also looked at items from the Anglo-Saxon times.

#### Year 6

Year 6 completed an 'information station' carousel last week in history. They rotated around different sources of information to find out everything they could about daily life in Ancient Greece. Most of us agreed that we were very happy not to be living in Ancient Greek times!

#### Year 6

Year 6 have been investigating their pulse rate in Science to see the impact exercise has on it. It was quite tricky to find our pulse but we all tried really hard. We discovered that exercise caused our heart rate to increase so our beats per minute increased too. We then continued to measure it as it gradually returned to our normal, resting rate.
