Squid Games

A number of children across the school have mentioned that they have watched the series Squid Games on Netflix. If you are not aware of this new programme it contains graphic scenes and violence that children might find upsetting.

We are also aware that versions of Squid Game are available on Roblox, Minecraft and Fortnite, so although children have not watched the programme they can still be exposed to the same graphic themes via these platforms.

There is a link with further information on Squid Games and how to talk about it with children if they have been exposed to it.

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

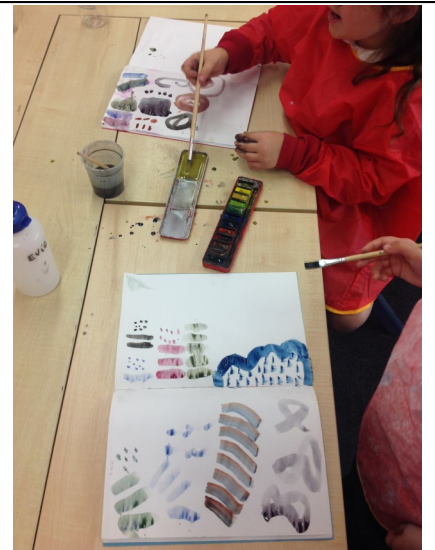

Nursery

In Nursery this week we have been exploring our woods area. We put our wellies on and went on a big adventure. We found some swings to play on, a den for us to hide in and a giant snail shell. Some of us got very muddy but that's okay because it shows that we had a good time! We can't wait to go back into the woods again.

Year 4

This week, Year 4 have continued their work on the artist, Georgia O'Keeffe. We experimented with different colours using different brush strokes, with water colours, which is what Georgia O'Keeffe uses in her artwork!

Year 6

Year 6 had a fantastic time making their clay Greek theatre masks this week. They worked really hard using different techniques and exaggerating the mouths to show comedy or tragedy. The final pieces were excellent!
