Happy Birthday to the children who have birthdays this week:

J J	Angus
Chelsea	Austin
Ollie	Royal
Lexi-Lee	Duffy
Noah	Smith
Ryan	Smith

Parental Appointments – w/c 28th February

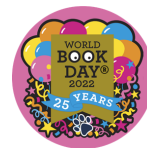

Parental appointments will continue to be by telephone this year – feedback from staff and parents said that this was much more efficient and well-attended. You will shortly receive a text and an email inviting you to book an appointment to speak with your child's teacher. These telephone calls will be made from a withheld number, please answer at the time of your appointment.

Please note, if your child is on the SEND register, you will instead, be booking a face-to-face appointment. This is to give you the opportunity to discuss your child's learning plan and contribute to their outcomes.

Don't forget
Parents'
Evening!

World Book Day

'World Book Day' this year is on Thursday 3rd March. Children are invited to come to school dressed as their favourite book character. We will be celebrating in class and listening to some of our favourite books throughout the day.

Fire Service

Recently Tyne and Wear Fire Service has responded to a number of deliberate fires in Hylton Castle dene.

The dene is an important part of the local community and the area is being spoiling for the people who use it.

- Deliberate Fires risk lives as fire fighters can't be in two places at once
- These fires disrupt the community and surrounding businesses ultimately costing the local economy (clean-up costs)
- Please talk to your children about the consequences of setting deliberate fires

If you know who could be responsible, you can report the details anonymously by visiting www.firestoppersreport.co.uk or calling 0800 169 5558.

Heroes of the Week

Well done to the children who won last week:

- Miya Lewis
- Isabell Gray
- Travis Strong
- Bobby Baker
- Thomas Robins
- Oscar Gordon
- Maddison Tasker
- Myah Thompson

Every week, a 'Hero of the Week' is chosen from each class and they get to add 10 tokens to their house collection!

Nursery

This week in Nursery we have been reading the story of The Gingerbread Man. As a special treat we made our own gingerbread men, they smelt delicious whilst they were cooking in the oven, and we took them home to eat them!

FROM ALL OF THE STAFF AND PUPILS AT HYLTON CASTLE PRIMARY SCHOOL

Year 6

Year 6 have been investigating reflective materials in Science this week.

Year 6 had some visitors this week from the Credit Union and Citizens Advice to talk to them about money. They explored budgeting and had to be detectives to identify the loan sharks! It was a great session that everyone really enjoyed.

Year 4

This week Year 4 have had a live French lesson as they have been taking part in Erasmus week. They have been introduced to other children around the world and have also introduced themselves. The children are really enjoying their week and they are so excited for the French food tasting. Year 4 have also been doing portraits of what they believe Louis the 14th would look like in the modern day, which will be entered into a competition with the other schools around the world and a prize will be given to the overall winner.
